WHEREAS, Gary S. Allyn of Oakdale (hereinafter "respondent") has been issued certificate number 000664 to practice as an emergency medical services instructor by the Department of Public Health (hereinafter "the Department") pursuant to Chapter 368d of the General Statutes of Connecticut, as amended; and,

WHEREAS, respondent admits that:

1. From October of 2000 to December of 2000, respondent, as the Program Coordinator/Emergency Medical Services Instructor, had administrative responsibility for an emergency medical technician refresher course at the West Hartford Fire Department,
2. Respondent wrongly certified to the Department that four students from the course referenced in paragraph 1 had passed the course, when they had not yet taken the course examination.
3. The above described facts constitute grounds for disciplinary action pursuant to the Regulations of Connecticut State Agencies, §19a-179-15(a) taken in conjunction with §§19a-179 and 19a-180 of the General Statutes of Connecticut.

WHEREAS, respondent, in consideration of this Consent Order, has chosen not to contest this matter and agrees that for purposes of this or any future proceedings before the Department, this

1. Respondent waives his right to a hearing on the merits of this matter.
2. Respondent's certificate number 000664 to practice as an emergency medical services instructor in the State of Connecticut is hereby reprimanded.
3. Respondent shall comply with all state and federal statutes and regulations applicable to his licensure.
4. This Consent Order is effective on the first day of the month immediately following the date this Consent Order is accepted and ordered by the Department.
5. Respondent understands this Consent Order may be considered as a public document and evidence of the above admitted violations in any proceeding before the Department in which his compliance with this Consent Order or with §19a-180 of the General Statutes of Connecticut, as amended, is at issue.
6. This Consent Order and terms set forth herein are not subject to reconsideration, collateral attack or judicial review under any form or in any forum. Further, this Order is not subject to appeal or review under the provisions of Chapters 54 or 368a of the General Statutes of Connecticut, provided that this stipulation shall not deprive respondent of any rights that he may have under the laws of the State of Connecticut or of the United States.
7. This Consent Order is a revocable offer of settlement which may be modified by mutual agreement or withdrawn by the Department at any time prior to its being executed by the last signatory.
8. Respondent permits a representative of the Legal Office of the Bureau of Regulatory Services to present this Consent Order and the factual basis for this Consent Order to the

Department. Respondent understands that the Department has complete and final discretion as to whether this executed Consent Order is approved or accepted.

9. Respondent has the right to consult with an attorney prior to signing this document.
